

Assessment Council

Standing Charges:

The Assessment Council shall carry out its charges within the context of the current Assessment Policy and the Principles of Assessment, adhered to by this institution. On this campus, assessment is distinct from evaluation. Assessment at WPUNJ shall be defined as the measurement of course, program, and other student learning outcomes, as well as university-wide curricular initiatives, for the purpose of improvement. To enhance our educational environment, assessments will be designed that:

1. Better articulate educational goals,
2. Provide means for collecting information on the progress towards the goals,
3. Disseminate results to faculty and staff involved, who will consider possible modifications in that which has been assessed.

Additional Charges for 2010-2011:

1. Work with the UCC Council to develop and refine an assessment plan and protocols for a new UCC Program.
2. Assemble campus-wide assessment data, documents and initiatives for quick, easy and comprehensive use by campus members.
