1. Discussion of the Faculty Senate Graduate Forum Final Report

The Council members reviewed the summary that Rochelle Kaplan is in the process of compiling. Rochelle based this final report on the summaries of three break-out groups that had been circulated via email. This report is incomplete, but contains the summaries for the "School of Graduate Studies" break-out group and the "Vision for Graduate Studies" break-out group. After careful review, the Programs Council members who were present at these two break-out sessions agreed that this final report captured the essence of the discussion. Liana will review the last section (to be completed) which will summarize the "Marketing of Graduate Programs" break-out group.

2. Final Report of the Graduate Programs Council

Francis Cai will write a report to be submitted to the Senate on the two programs the Council reviewed during this academic year.
