- Check existing courses for proper attributes and approvals
- Develop a plan to re-assess courses along with a review of the overall (one or two areas). Middle States – using assessments to make the changes. (3 areas were addressed) – Consider the assessments completed – write report; recommendations and closing the loop (UCC Area 5; Writing; Quantitative) – Move forward with direct assessments

Administrative Liaison Update Jonathan Lincoln – middle state assessments – focus on closing the loop; discussions on co-chairing.

UCC Directors Report Daria – Welcome Ray (new GA); Assessments in Area 5; Quantitative; Writing. Need to review course approval

Course Approvals:

ARTS 3230: UCC Area 6 – Global Awareness.

More support for SLO's replace words from the course; unclear how SLO's will be assessed and how met. Missing level of detail. Cross cultural aspect; course description (enables students... - might not be able to be achieved); very localized.

Pass with revisions – Opposed = 0

PHIL Ethics – WI

Giving feedback on written work. And/or should be changed. Clarify what you are accessing?
Need the number of pages written/included; be more specific the number of quizzes. Approved
pending changes.
