

William Paterson University Campus Hazing Transparency Report

Updated: 3/28/2025

As per The Stop Campus Hazing Act:

*"The **Campus Hazing Transparency Report** summarizes findings concerning any student organization found to be in violation of the institution's standards of conduct relating to hazing, as defined by the institution." This report is updated at least "two times each year ... to include, for the period beginning on the date on which the Report was last published and ending on the date on which such update is submitted, each incident involving a student organization for which a finding of responsibility is issued relating to a hazing violation..." An institution is not required to develop or update the Campus Hazing Transparency Report ... until such institution has a finding of a hazing violation.*

As per NJ Rev Stat § 18A:3-27.4 (2021):

"Each public and independent institution of higher education shall maintain a report which shall include information on all violations of the institution's anti-hazing policy and federal and State laws related to hazing that are reported to the institution.

...

An institution shall post the initial report at a publicly accessible location on the institution's Internet website by January 15, 2022. The initial report shall include information concerning violations that have been reported to the institution for the five consecutive years prior to the effective date of this act, to the extent the institution has retained information concerning the violations. An institution shall post an updated report biannually on January 1 and August 1."

The following organizations were responsible for hazing activities:

No organizations have been found responsible for hazing activities within the last five years.
