HEAR FROM YOUR PEERS! (Angie, Owen, Preston, Rory, Sarah, and Thays)

Each week, the Honors College Peer Leaders provide tips for ways to help you have a successful semester. Honors Peer Leaders are upper division students who serve as a support network for other Honors students. Although they work with many first-year Honors students, assisting them with the successful transition from high school to college, all students in Honors can benefit from their knowledge and experience. Please visit [Peer Leaders!](#) to learn more.

Peer Leader Tip of the Week – Enjoy Spring Break!

Make sure to use Spring Break as a time to rest and reset, so you can tackle the second half of the semester feeling energized and organized. In addition to taking time for yourself, you can also use this time to catch up on anything on your to-do list that has been getting pushed down the list, such as assignments, applications, and more.
