Honors College Track Application Overview

Honors students who have selected their Honors Track and are ready to begin track courses must **first** apply to the Honors Track of their choosing (typically in the spring semester of your sophomore year). Note students but be enrolled/applied to the Honors Track before they can receive a permit for a course in an Honors Track.

Navigating to the application: To apply to an Honors track, students must log into their student tab on WPConnect.

- Once logged in, scroll to find the purple “Academic Services” tab (shown below).
 - Select “Honors Application” under the purple Academic Service section.
 - The software will recognize you as a current Honors student and will redirect you to the track application.

** Please email us at honors@wpunj.edu if this does not work

Components of the application: The track application will feature short answer questions. The short answer questions on the application are as follows:

- Please tell us why do you want to be a part of this track?
- What independent project would you like to develop in the track?
- What are your plans after college graduation?
- What are your hobbies and interests?

Please note that once you apply and are accepted, the track requirements will appear on your degree evaluation. Remember to meet with both your advisor and your track director each semester for guidance.

Still not sure about the track you want to choose. Click [here](#) to explore information about all the Honors Tracks offered.
